Overview

Main Objective:

The aim of the conference is to inform the participants about current innovations and developments, to give suggestions for practice on the basis of best practice examples and to exchange information among colleagues about current or planned scientific projects.

Participants:

The conference is an annual highlight for scientists from gastroenterology and related fields in German-speaking countries whose work is dedicated to hepatological issues.

Program:

- **Friday, 26th January 2024** **12.30 pm – 7.00 pm**
Saturday, 27th January 2024 **08.30 am – 2.30 pm**
- In between the plenary program sessions, there will be 5 poster visit sessions with coffee break or lunch and an opportunity to network and visit the exhibition.
Friday evening there will be a Conference Dinner.

Main topics:

- Metabolism
- Tumors
- Viral Hepatitis, Immunology
- Basic Hepatology (Fibrogenesis, NPC)
- Clinical Hepatology (Surgery, LTX)

Awards:

- GASL prize sponsored by YAEL foundation
- Young Investigator Award

The event will be held in English language.
